

TRELLCHEM®
THE SAFETY STANDARD

TRELLCHEM® BAG

Trellchem® Bag

Trellchem® Bag is intended for storage and transportation of one Trellchem® chemical protective suit including accessories as a fire helmet and boots.

DESIGN

Soft storage bag with handles and a long zipper running from side to side, to give a large opening. The bag is fitted with a detachable base plate on the inside for stability. On the outside, it has four label pockets, one on each side, for easy marking.

MATERIAL

Strong and durable polyester fabric.

SEAMS

Sewn.

ZIPPER

Nylon zipper running along three sides of the bag.

COLOR

Black with white Trellchem® logos on the long and short sides.

SIZES

Length x Width x Height: 75 x 43 x 43 cm
